Application for Leak Adjustment

A one-time leak adjustment per year may be given by the Manager on residential accounts or on commercial accounts with Board approval. The user must sign leak adjustment agreement & **PICTURES OF LEAK REPAIR or PLUMBER'S INVOICE**. If the user has additional leaks, the user must petition the Board in writing for subsequent leak adjustments. If user fails to promptly repair leak after notification or to take other measures to eliminate the wasting of water through leaking installations, no adjustment of monthly charges will be made.
